HB447: Recognize Ed McGivern as state shooter
Introduced by B Harris

With all due respect to Representative Harris and the McGivern family, this bill and others like it, are a waste of everyone's time and taxpayer money.

The residents of Montana have serious problems that need real solutions in the areas of education funding, jobs, health care, tax reform, etc.

I urge the committee to vote no on this bill.

Thank you,

Cindy Swank
